Foreword

This year we have taken full advantage of the newly-formed photography class. It has helped greatly in the compiling of this book. As you turn the pages of this La Reata in future years you will regain memories that may have laid dormant without this year book. It is our sincere wish that through this book students will relive their days at Hartnell College.

Published by the Associated Students of Hartnell College, Salinas, California

From Around the World

With many people of different nationalities enrolled at Hartnell College, it is only logical that our 1956 La Reata should carry an international theme. Students from many countries around the globe come to our shores and to our college in quest of higher education and to learn American ways. Many of our students will return to their homes abroad and some will make a new home here. China, Japan, Iran, the Philippine Islands, Germany, England, regardless of their birthplace, they have shown themselves to be exemplary citizens of our college and nation.

MR. LOUIS ERIS

Dedication

The Associated Students of Hartnell College respectfully dedicate this yearbook, *La Reata,* to Mr. Louis Eris. Educator, father, sports enthusiast, he is all of that. He came to teach when the college was part of Salinas Union High School and stayed on to see the college acquire its own campus. In twenty-seven years of teaching at Hartnell, he has shared his sorrows and joys with hundreds of students.

Quick to smile and lend a helping hand but still able to admonish an erring student, he is a standout in the scholastic world.

Of his many special interests, sports remain foremost with him. Athletic teams have come and gone from our campus but winners or losers, he was behind them all the way. Race, creed, background, he only stressed that they be either good winners or gracious losers. To Hartnell's own Louis Eris, this book is gratefully dedicated.

PRESIDENT STUART DUFOUR

We are fortunate in having for our college president one of the top administrators in junior college circles. Mr. Stuart Dufour became president of Hartnell College after the sudden death of John B. Lemos in 1954.

Mr. Dufour came to Hartnell in 1946 as director of the journalism department. In 1952, he was named administrative assistant to Dr. J. Frederic Ching, superintendent of the Hartnell Junior College District.

A 1932 graduate of San Mateo Junior College, he received his Bachelor of Arts degree from Stanford University in 1934, and was granted his Master's degree in 1941 from the same university.

Mr. Dufour was on the editorial staff of a metropolitan newspaper from 1934 until 1939. During World War II he served with the American Red Cross.

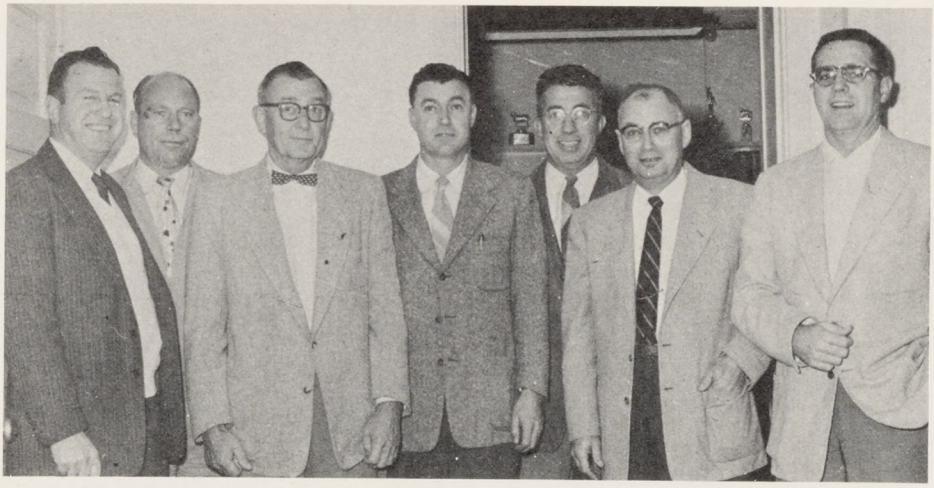

Mr. Dufour was born and raised in Chicago, Illinois. He is married and has two children.

We thought it a fitting tribute to dedicate this book to Mr. Louis Eris in acknowledgment of all his contributions to this college. May this book bring back memorable occasions you may have had while attending Hartnell.

Athletics

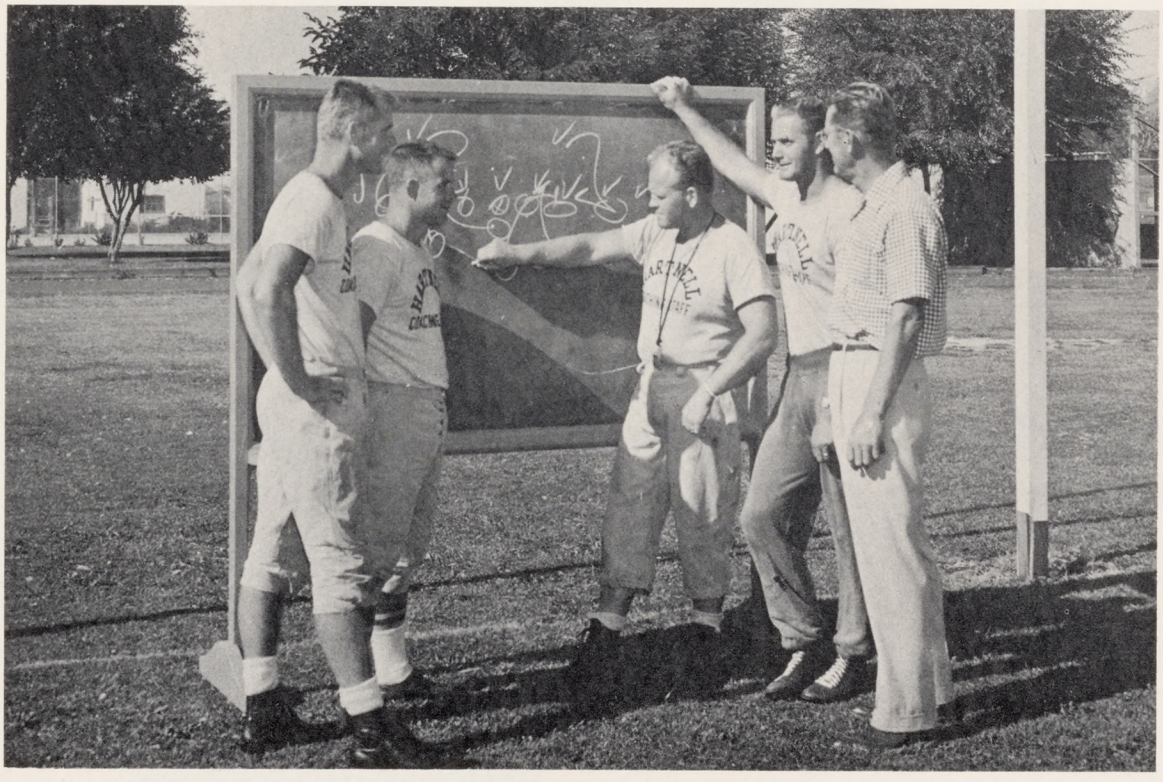

Coach Ken Blue

Coach Ken Blue had a mighty tough schedule for 1955, playing games against better opposition than ever before. With his fine coaching, the team was successful in finishing the season at .500, even with the great number of injuries the team received.

Blue, with his victories over Monterey Peninsula College, joined Dick Voris and Elliot Wilson as coaches who have fielded a team which has defeated Monterey Peninsula College twice.

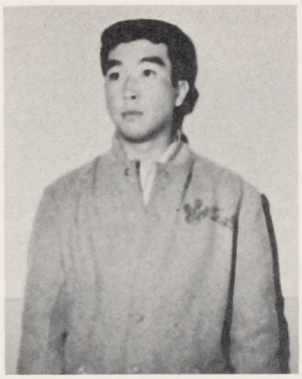

Coach Blue and his assistants brought a team onto the field which had the spirit and the willingness to make a fine combination. With this attitude, the Panthers of 1955 went on record with great Hartnell teams of the past.

Season Finale

Hartnell College football team ended a successful season this year with a veteran ball club with a season record of four wins, two ties, four losses.

The team had a great line and a good backfield with such men as Papa, Anderson, Bareng, Boutte, and Payne. Payne was one of the best linemen to come out of Hartnell. He was named all-conference tackle, Compton All-Opponents, and was given honorable mention on the all-American junior college team.

Led by Takeo Hirahara and David Crocker the team tied Menlo Junior College, 19-19, keeping the Oaks from going to the Junior Rose Bowl.

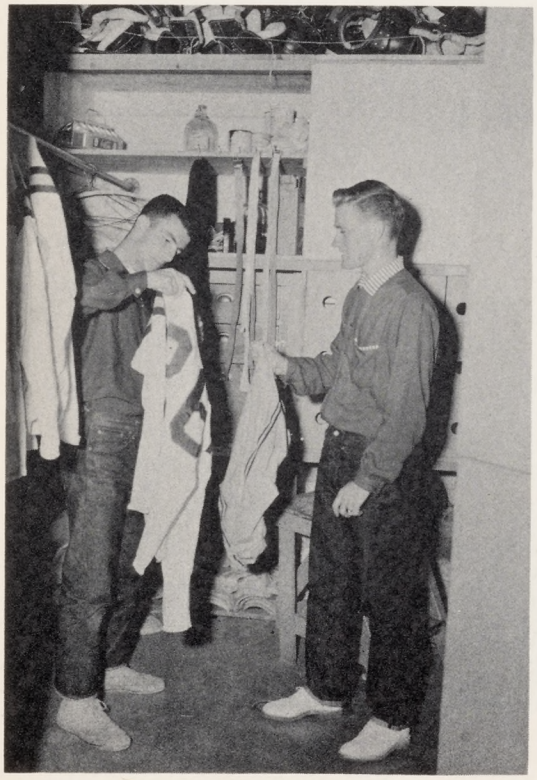

Defeating their arch rivals, Monterey, for the fifth straight year, the Panthers also defeated Snow Junior College of Utah, Porterville and East Contra Costa, and tied San Jose and Menlo. The Panthers finished a half game behind Menlo in Coast Conference standings.

Season's Roundup

The team received a big loss when two of its first stringers, Center Hal Boutte and Forward Glen Tucker, left school between semesters. Despite the loss of these men, the team fought to a second place tie with San Jose Junior College in league play.

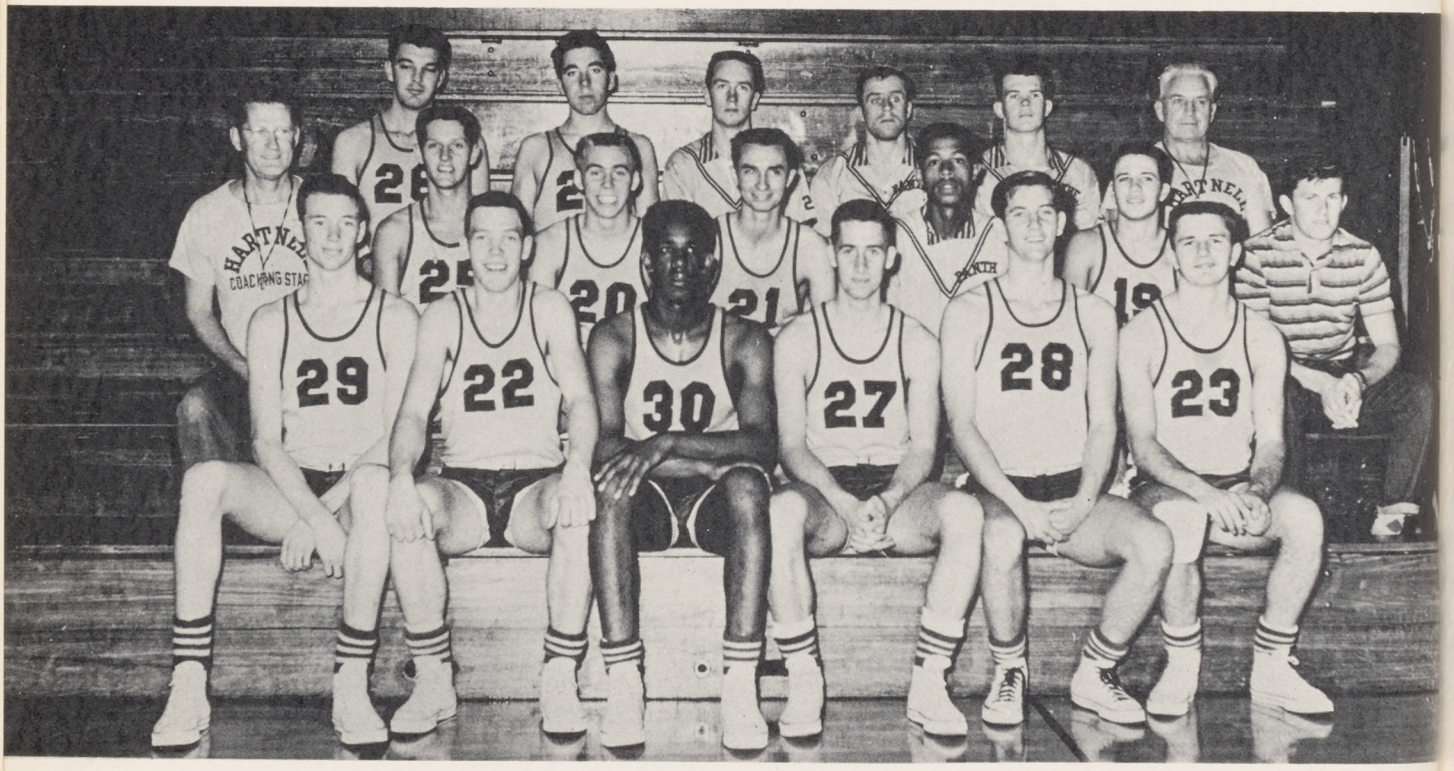

With the fine coaching of Ed. Adams and Assistant Coach Jess Regli, the team placed fourth in the Coast Conference Basketball Tournament. The team, playing "heads-up" ball, defeated many fast moving teams to place third in the Allen Hancock Holiday Tournament.

Ron Critchfield was high scorer for the year with 346 points in 27 games, giving him a 12.8 average. Dick Casper followed with 247 points in 25 games, averaging 9.4 a game, while Bill Cox made 236 points with an average of 10.2 in 23 games.

Coach Adams praised the team for its achievements during the season. Gus Anderson was acclaimed the most improved player.

Next year, Adams expects to have three of this year's starting five back for action. They are, Anderson, Cox and Critchfield.

Coach Regli Hopeful

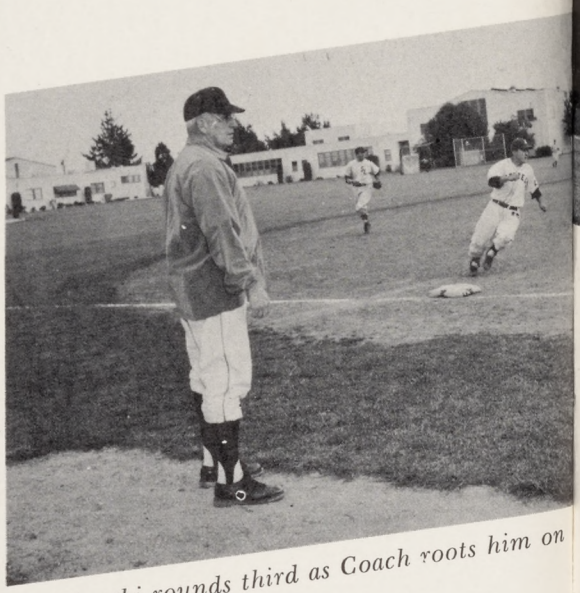

In nine years of coaching at Hartnell, Coach Jess Regli has proved himself a great coach and instructor. Coach Regli has never failed to produce a successful team. In 1953 and 1954, with his leadership, the team was crowned Coast Conference Champions.

Coach Regli singled out Ted Stacey and Art Lopez as "good hustlers" for the team. With the spirit and fight the Panthers have, Hartnell College may have another Coast Conference Champion.

As this La Reata went to press, the baseballers had won four of their first six games.

Cross Country

Coach Ed. Adams

Cross-Country became a conference major sport for the first time this year. Hartnell had a successful season, beating San Jose Junior College each time they met.

In other matches, Hartnell was defeated by the strong San Jose State second team. Wes Bond placed third against such great cross-country men as Ludlon who was a former junior college state champion in 1953.

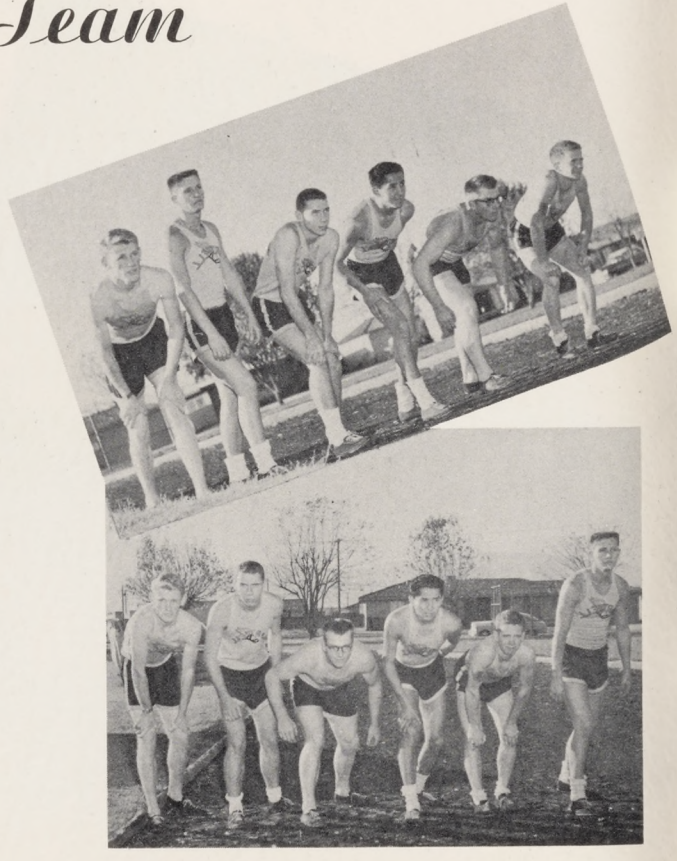

Hartnell entered the San Jose Junior College Cross-Country Invitational meet to which all northern California junior colleges were invited. Hartnell took second honors. In this meet, three men broke the invitational meet records: Hales, Modesto; Foreman, Fresno; and Wes Bond, Hartnell. Wes Bond, Dick Casper, George Harris, Henry Mazzucatelli, Richard Axe and Everett Alvarez were the Hartnell representation.

In the Coast Conference meet, it was up to Wes Bond to carry the load and he did it beautifully. The championship team consisted of Wes Bond, Casper Harris, Les Bond, and Mazzucatelli. John Vear, Bob Woodring, Charles Kelch and Bill Minetti deserve much credit for their efforts and training with the team. They were a great help to the team, although they didn't break into the scoring column.
